

Dear Parnall Families,

February is the month that we celebrate the 100th Day of School. Believe it or not we are more than half way through the school year.

This month Report Cards for Term 1 will be sent home February 15. These reports give a summary of student achievement. Teachers use their professional judgement and consider factors such as consistency, recent improvement and amount of evidence in order to determine students' grades. Teachers and students work together to gather evidence of their learning over time from observations, conversations and student products. You are encouraged to carefully look over your child's report card and contact your child's teacher if you have any questions.

Pink Shirt Day is on February 20. Wear pink this day to stand up to bullying. To understand more about the history behind Pink Shirt Day visit <https://www.pinkshirtday.ca/about>

We are also observing Family Day on February 19. From our Parnall team we wish your family a great day to learn and play together.

Looking forward to a great month ahead.

Snack Program at Parnall.

The Parnall School Snack Program is mainly supported by Niagara Nutrition Partners. We had a hot chocolate fundraiser which was a great success last month and raised \$250 that went directly back to the snack program. A big thank you to Tim Hortons, Starbucks and No Frills for their donations. We are grateful for this support as our students are never left hungry during the day at school.

There are 3 ways to donate to the program.

1. Make a donation through our school website. Use the donation Link and choose the “General” tab. Please indicate that the donation is for our snack program. Please note that support provided directly to the school is not eligible for a charitable tax receipt for income tax purposes.
2. You can also make a donation through Cash Online.
3. Alternatively, donations can be made to Niagara Nutrition Partners directly. A charitable tax receipt can only be issued if you donate through Niagara Nutrition Partners website. When you make a donation, please indicate in the “write a private message” that the donation is being made to support the Parnall Public School snack program.

We are also continuing to collect pop can tabs, which at the end of the year, we recycle for funds.

For the month of February we are going to collect dry goods that can be used in our snack program as well. We did this last year and did not need to purchase dry goods for the remainder of the year. It allowed us to focus our purchases on produce and dairy products!

We are looking to collect the following products. They do need to be similar to these specific labels as they meet our nutritional guidelines.

If you are able to send anything in we will collect these items at the office. Thank you for your help!
