

Hello Parnall Families,

Thank you for a great month of October. We are looking forward to sharing all the great things that happened this past month at our Celebration Assemblies this Friday. Students have embraced the opportunities to join clubs, play sports and take on different leadership roles in our school community. We will also celebrated some 'student of the month' winners for their dedication to their classroom community, the school and their personal learning journey. We will have monthly celebration assemblies. They will mostly fall on the last Friday of the month or that following Friday. Our November Celebration Assembly will be on December 1. Assemblies will take place the last block of the day.

Snack Program started running this past month. Nutritious snacks are available in each classroom for students to select if they so choose. Thank you to our Niagara Nutrition Partners (NNP) and our senior volunteers from Royal Henley for making this happen. We are continuing to collect pop can tabs, which we recycle and use the proceeds to support this program. We will also have another fundraiser coming to support NNP in February.

This month Progress Reports will be sent home and teachers will be scheduling interviews with families. Please remember that you can always reach out to your child's teacher at any time if you have questions. I will continue to share information of Fridays with updates and a look ahead to the next week.

Looking forward to another great month at Parnall.

Sincerely,

Kara Veld (Principal)

**Secure online payments for school activities**

With School Cash Online, you can approve permission forms and make payments for school initiatives with your Credit Card or eCheque using the device most convenient for you.

Just a reminder that School Cash Online is the place where we post all activities including class trips, hot lunch days etc.

[https://www.dsbnschoolcash/](https://www.dsbnschoolcash.com/) to sign up today.
