1. **Approval of Minutes from the February 26, 2019 meeting:**

   Motion: To approve the amended meeting minutes from February 26, 2019

   1st- Joanne, 2nd – Megan ***Motion Carried***

2. **Discussion Items and Updates:**
   - Grantham House Fundraiser: The event was held on March 5 and was successful. The owner of the Grantham House donated 10% from all food sales between the hours of 5-9pm and rounded up to a total of $150.00. They are interested in hosting another one, and Sharon will follow up to see if May 14 works and will advise.
   - Chocolate Bars: The Chocolate Bar Fundraiser wrapped up on March 21, and was very successful. To date, we have raised over $7400 (less the prize costs), which means we met our goal to purchase 10 Chromebooks and a storage cart and Robb will be ordering them this week. The feedback was overwhelming positive in favour of the Laura Secord chocolates; as well, families liked knowing what we were fundraising for.
   - Bathroom Art Update: Robb presented the top 20 sayings as voted on by the committee. Melissa L is going to work on the artwork to present at a future meeting.
   - Raising Healthy Pirates Update: Due to date conflicts, the committee is struggling with confirming vendors/presenters for the event and unfortunately have decided to cancel it for this year. The committee is going to plan early to host this event next year. The presenters that were secured have been notified of the cancellation and will be given the opportunity to provide any handouts etc. that they may have already created to the students.
   - Fun Fair Update: The committee reported that the planning is going well with most of the vendors secured. The big push is on getting in sponsors, as we are half way to our goal of 24 sponsors. Robb will include a reminder in the April newsletter. The order forms will likely go home to students just after Easter to be returned May 8, as the t-shirt order needs to be in by May 15.
   - Shelving Purchase: At the February PAC meeting it was approved to spend up to $600 on shelving for the PAC storage area. Melissa D has offered to go buy the shelving and deliver it to the school. Robb is going to send her details of what to purchase.

3. **Principals Report:**
   - School Climate Survey: Robb presented the results from the School Climate Survey and they were overwhelmingly positive.
   - Track and Field: Track and Field will be held on two days this year to take advantage of the track at Governor Simcoe. The track events will be held the morning of May 14th at Governor Simcoe, and then the field events will be held in the afternoon of May 15th at Parnall. More details to follow.
